

PREGNANCY PHOTOSESSION GUIDE

JB
photoart

HELLO FUTURE MOM AND DAD!

Congratulations on this greatest adventure of your life. Your pregnancy is a special time in your life and I'm honored to photograph it.

Maternity sessions are a wonderful way to create beautiful, timeless memories to share with your future child and great pieces of art to decorate your home with.

Living right under one of the most spectacular Alp mountains - Matterhorn, I can take you to those places that tourist do not know about and make your maternity session spectacular.

Please don't hesitate to share ideas or ask questions - these sessions can be so much fun and supper creative!

MATERNITY 300 CHF

- BM Photoart's prep & planing, time during the shoot & post production of the images
- 1,5 - 2h session at location of your choice
(we can help you pick a perfect location too!)
- 20 high resolution images, fully edited with print release
(you can print & share however you want!)
- 20 small resolution impages for website/ Facebook/ email upload
- every additional picture 20 CHF
- Facebook private album on my page

MAKE IT HAPPEN!

If you are expecting a baby in the next few months, it is never too early to contact us to discuss your maternity photo session date, ideas and expectations.

We will do our best to document this precious time of your life in a beautiful manner to keep these special moments alive forever.

THANK YOU!
